

Conversation questions

BACK TO SCHOOL IN PANDEMIC ENVIRONMENT

Part I

1. How do you feel finally being able to get into the school building? Talk about it.
2. What significant situations have happened in your life since the pandemic started ?
3. Talk about a situation you experienced during the tough time of lockdown.
4. How have you felt over the past few months? Did you find it hard to function (*wearing a mask, not being allowed to go out, not seeing friends, keeping the social distance and so on*)?
5. Has anyone you know got covid-19? If yes, talk about it. (*symptoms: to get a cough, to feel awful, to get high temperature, to have a headache, to have aches all over one's body, to have problems breathing*)
6. What do you think about the world's pandemic chaos. Is there a reason to be scared? Why?/Why not?
7. Do you think it's safe in schools now? What do you think we should do now?
8. What do you think of remote teaching?
9. Did remote teaching change anything? If yes, was it better or worse?
10. If you could live through the last months one more time, what would you do differently?

Part II

1. Talk about yourself. What do you like? What are your passions/hobbies?
2. Are you happy you are at school now? Why/why not?
3. What did you do during holiday? Did you visit any interesting places?
4. Think of a situation that happened during the holiday and talk about it.
5. What school subject is the most important for you? Why?
6. Do you think English is worth learning? Why/why not?
7. How can you learn English effectively at home?
8. Do you think learning foreign languages is important? Why/why not?
9. What could fluency in English change in your life?
10. Do you get optimistic when you think of the new school year? Why/why not?
